Geneva, 11 July 2016

Dear Madame Barzilay,

Now that I am comfortably settled in my new apartment, I would like to thank you and your team most sincerely for the help and support you and they provided me in my relocation to Geneva.

Thanks go to Kelly for her responsiveness, as well as her tenacity and resolute pursuit of the right opportunity, which were decisive in making the search successful. Valérie, too, was unfailingly helpful in stepping in whenever necessary. Most of all you were able to navigate with a steady hand the awkward and unpredictable Geneva real estate market.

Thanks again and Best wishes for the continued success of Barzilay Services,

Alan McClay
